Capital clues

Samson is trying to solve a mystery, but all of the clues are uppercase letters. Help him figure things out by writing each letter you see in lowercase. The first one has been done for

A cartoon detective named Samson is on a path that winds through a large, stylized letter 'S'. Along the path are several boxes, each containing an uppercase letter and a blank space for the corresponding lowercase letter. The letters are: A, B, C, D, E, F, G, H, I, J, K, L, M. The letter 'A' is already written in lowercase 'a'. At the end of the path is a speech bubble that says "MYSTERY SOLVED!!!!".
